NOTICE TO SHAREHOLDERS

OPENING OF THE PERIOD FOR TRADING FRACTIONS OF SHARES

ENGIE BRASIL ENERGIA S.A. ("Company"), a corporation registered as a publicly-held company with the Brazilian Securities Commission (*Comissão de Valores Mobiliários* – "CVM"), hereby informs its shareholders, in addition to the Material Fact and the Notice to Shareholders disclosed on November 5th, 2025, as follows:

At a meeting held on November 5th, 2025, the Company's Board of Directors approved a capital increase in the amount of R$ 1,961,059,084.15 (one billion, nine hundred and sixty-one million, fifty-nine thousand, eighty-four reais and fifteen centavos), within the limit of the Company's authorized capital, through the capitalization of part of the balance recorded in the Profit Retention Reserve account, pursuant to article 169 of Law No. 6,404/76 ("Brazilian Corporations Law").

The capital increase was implemented by means of a share bonus, through the issuance of 326,371,096 new book-entry, no-par value common shares, allotted free of charge to the shareholders at the ratio of 40%, which means 1 (one) new share for each 2.5 (two and a half) common shares held on the record date of November 26th, 2025. Therefore, since November 27, 2025, the Company shares (EGIE3) are traded with the price adjusted for the new shareholder base (previous price divided by 1.4).

1. Credit of Bonus Shares

On this date, the book-entry, no-par value common shares issued as a result of the capital increase approved on November 5th, 2025, through the capitalization of a portion of the balance of the profit retention reserve and the free allotment of shares to the shareholders, in the ratio mentioned above, have been credited.

2. Opening of the Period for Trading Fractions

Pursuant to Paragraph 3 of Article 169 of the Brazilian Corporations Law, a period of 30 (thirty) days is hereby opened for shareholders holding fractions of shares resulting from the share bonus to trade such fractions, for the purpose of rounding up their shareholdings to whole numbers of shares ("Fraction Trading Period").

The Fraction Trading Period will begin on December 2nd, 2025 and will end on December 31st, 2025, and transactions may be freely carried out by the shareholders, through their respective custodians, in the trading environment of B3 S.A. – Brasil, Bolsa, Balcão ("B3").

3. Auction of Fractions

Upon the end of the Fraction Trading Period, any remaining share fractions will be grouped into whole numbers of shares and sold in an auction to be held at B3, as provided for in Paragraph 3 of Article 169 of the Brazilian Corporations Law.

The net proceeds from the sale of the fractions so grouped into whole numbers of shares in the auction, as described above, will be distributed proportionally to the shareholders who were holders of such fractions, in accordance with their respective positions.

The procedures for calling and holding the auction of the remaining share fractions will be timely disclosed by the Company by means of a new Notice to Shareholders.
