ENGIE BRASIL ENERGIA S.A.
A Publicly Listed Company – CNPJ 02.474.103/0001-19
NIRE 4230002438-4

ANNOUNCEMENT TO THE MARKET

ENGIE BRASIL ENERGIA S.A., a publicly listed company with registered offices in the city of Florianópolis, state of Santa Catarina at Rua Paschoal Apóstolo Pítsica, 5064, enrolled in the tax register (CNPJ) under number 02.474.103/0001-19 ("Company"), pursuant to the provision in CVM instructions 358/2002 and 480/2009, wishes to announce to its investors and to the market at large that the Campo Largo IX Wind Farm ("Campo Largo IX") has receive authorization from the National Electric Energy Agency (Aneel) to begin commercial operations as from this date.

Campo Largo IX has an installed capacity of 25.2 MW and is a component part of the Campo Largo II Wind Complex, consisting of a group of wind generating projects with a total install capacity of 361.2 MW with energy totally directed for sale through the Free Contracting Environment (ACL).

The Campo Largo II Wind Complex is located in the municipality of Umburanas, approximately 420 km from the city of Salvador in the state of Bahia, the same region where the Company operates commercially the Campo Largo and Umburanas wind complexes (686.7 MW of installed capacity), benefiting from the synergies of the existing structures such as the substation and transmission line.

With the conclusion of the installation of the second phase of Campo Largo, expected for the third quarter 2021, ENGIE Brasil Energia's installed wind energy capacity will surpass the 1 gigawatt (GW) mark in the region.

"The beginning of commercial operations of Campo Largo IX in the midst of the Covid-19 pandemic, reinforces the execution capacity of the team and the progress in our strategy of accelerating the transition to a carbon neutral world", the Company's Chief Executive Officer, Eduardo Sattamini commented.

Florianópolis, February 23, 2021.

Eduardo Antonio Gori Sattamini
Chief Executive and Investor Relations Officer
