Dear Madam,

We refer to the Official Letter above, received as of yesterday's date and as transcribed below:

"August 2, 2023
936/2023-SLS

Engie Brasil Energia S.A.
Attention: Eduardo Antonio Gori Sattamini
Investor Relations Officer

Ref.: **Request for clarifications on a news report published in the press**

Dear Sir or Madam,

A news item published by the Estadão Broadcast+news agency on August 2, 2023, headlined "ENGIE/BÄHR: WE ARE GOING TO INVEST R$ 10 BI IN 3 RENEWABLE GENERATION PROJECTS BY 2025", includes, among other information, that "The Chairman of Engie Brasil, Mauricio Bähr, said a short time ago that the company is guaranteed an investment of R$ 10 billion and planned by 2025 for the building of three renewable energy generation projects in the Northeast".

We request clarification on the referred report by August 3, 2023, with your confirmation or otherwise, as well as other information deemed important."

ENGIE BRASIL ENERGIA S.A. Rua Paschoal Apóstolo Pítsica, 5064 - CEP 88025-255
Florianópolis - Santa Catarina - Brasil

Further to the official letter transcribed above ("Official Letter"), with respect to the report aired through Estadão Broadcast+ news agency on August 02, 2023, in the position of Investor Relations Officer of **ENGIE BRASIL ENERGIA S.A**., a publicly listed company, with head offices in the city of Florianópolis, state of Santa Catarina, at Rua Paschoal Apóstolo Pítsica, 5064, Bairro Agronômica, ("EBE" or "Company"), respectfully present the following clarifications:

The three renewable energy generation projects mentioned by Maurício Bähr, chairman of the Company's Board of Directors, incorporate:

- The Santo Agostinho Wind Complex, with a total estimated investment of R$ 2.3 billion, in the process of installation since 2021 in the state of Rio Grande do Norte, as per Announcement to the Market of January 15, 2021.
- The Serra do Assuruá Wind Complex with a total investment estimated at R$ 6.0 billion and under construction since 2022 in the state of Bahia, pursuant to the Announcement to the Market of September 30, 2022.
- The Assú Sol Photovoltaic Complex with a total estimated investment of R$ 3.3 billion, being implemented since 2023 in the state of Rio Grande do Norte, pursuant to the approval at the meeting of the Board of Directors dated February 16, 2023, for the engagement of the leading suppliers to the project.

We would point out that the Company's investment plan has been repeatedly published through the Empresas.net system and in the website (www.engie.com.br/investidores), pursuant to the following documents, among others:

- Results Presentation with respect to the 1st quarter 2023, filed on May 4, 2023, at 18:22h, in the Announcement to the Market category: Presentations to market analysts/agents, in slide 28 and a breakdown by project under implementation in slides 14, 16 and 17;
- Results Release with respect to the 1st quarter 2023, filed on May 4, 2023, at 18:22h, in the Economic-Financial Data category: Press-release on pages 9 and 10;
- Quarterly Information (ITR) with respect to the 1st quarter 2023, filed on May 4, 2023, at 18:06h in the Economic-Financial Data category: Intermediate Financial Statements – in the "Comments on the Tendency of the Business Forecasts"; and
- Reference Form, version 4, filed on July 5, 2023, at 14:17h, in the item 3.1 Forecasts Disclosed and Assumptions.

ENGIE BRASIL ENERGIA S.A. Rua Paschoal Apóstolo Pítsica, 5064 - CEP 88025-255
Florianópolis - Santa Catarina - Brasil
Tel: +55 (48) 3221-7904 - www.engie.com.br/investidores

We would also point out that the investment plan, in addition to the aforesaid projects, also includes other projects in the transmission segment as well as in relation to the maintenance of the generator park, among others.

We reaffirm our commitment to the highest standards of transparency and governance and remain at your disposal for any additional clarifications that may be necessary.

Florianópolis, August 03, 2023.

EDUARDO ANTONIO GORI SATTAMINI
Chief Executive and Investor Relations Officer
