ENGIE BRASIL ENERGIA S.A.
A Publicly Listed Company – CNPJ 02.474.103/0001-19
NIRE 4230002438-4

ANNOUNCEMENT TO THE MARKET

First section of the Asa Branca Transmission System begins commercial operations

ENGIE BRASIL ENERGIA S.A., a publicly listed company with registered offices in the city of Florianópolis, state of Santa Catarina at Rua Paschoal Apóstolo Pítsica, 5064, enrolled in the corporate tax register (CNPJ) under number 02.474.103/0001-19 ("ENGIE" or "Company"), pursuant to the provisions in CVM Resolution 44/2021, wishes to inform its shareholders and the market at large that the Asa Branca Transmission System ("Asa Branca"), has received authorization from the National System Operator (ONS) to begin commercial operations of the Morro do Chapéu II – Poções III section, located in the central-southern region of the state of Bahia, starting November 26, 2025. This section represents 33% of the Annual Allowed Revenue (RAP) of the project and characterizing its first stage.

Work on the Morro do Chapéu II – Poções III Section began in August 2024 consisting of the implementation of a 500kV transmission line with a length of 334 kilometers, traversing 19 municipalities, in addition to the expansion of two related substations. During this period, the Company instituted several socio-environmental programs, as well as generating more than 2,000 direct jobs in the region.

Asa Branca, acquired in the transmission auction promoted by the National Electric Energy Agency (Aneel) in June 2023, with a contracted RAP of R$ 282.7 million (base June/25), proceeds with its implementation, consisting of the construction of approximately 1.000 km of transmission lines, linking the states of Bahia, Minas Gerais and Espírito Santo, as well as including the expansion of five associated substations.

Florianópolis, November 26, 2025.
