ANNOUNCEMENT TO THE MARKET

ENGIE BRASIL ENERGIA'S EQUITIES ARE INCLUDED IN THE ISE FOR THE 13TH CONSECUTIVE YEAR

In total alignment with the Company's historical commitment to the highest standards of sustainability and corporate governance.

Florianópolis, November 24, 2017 – ENGIE BRASIL ENERGIA S.A ("Company") (B3: EGIE3, ADR: EGIEY) announces to shareholders and the market in general that it continues to be a component of the Corporate Sustainability Index (ISE) of B3 – Brasil, Bolsa, Balcão S.A.. EBE's equities have been included in the ISE portfolio since inception.

The new portfolio will be in effect from January 8, 2018 to January 4, 2019 and will incorporate 33 shares of 30 companies out of a total of 344, or 8.7%, of the companies listed on the B3.

The index reflects the average return from a theoretical portfolio of shares of those listed companies enjoying the best environmental, social and governance practices. Since its creation in 2005, ISE has recorded a return of 181.5% compared with the 133.4% for the Ibovespa over the same period.

"Being selected once more as a component of the ISE portfolio sends a clear signal that our commitments and practices represent a benchmark in sustainability. The global growth in socially responsible investments is unequivocal, and we are totally aligned with this positioning both from the strategic as well as the operational point of view", declared Eduardo Sattamini, the Company's Chief Executive. "We continue to increase our presence in renewable energy, our employees rate us positively and we operate in accordance with best corporate governance practice. We continue in our determination to create value for all our stakeholders".
