ANNOUNCEMENT TO THE MARKET

ENGIE BRASIL ENERGIA HAS BEEN INCLUDED AS A COMPONENT OF THE DOW JONES SUSTAINABILITY EMERGING MARKETS INDEX FOR THE FIRST TIME

Global recognition represents a milestone in the Company's ESG governance.

Florianópolis, December 18, 2024 – **ENGIE BRASIL ENERGIA S.A.** ("ENGIE" or "Company") (B3: EGIE3, ADR: EGIEY) announces to the market at large that it is a component of the Dow Jones Sustainability Emerging Markets Index 2024**.**

The Dow Jones Sustainability Emerging Markets Index comprises emerging market leaders in sustainability, identified by S&P Global on the basis of the Corporate Sustainability Assessment (CSA) questionnaire. It aims to represent the top 10% of the 800 largest companies in emerging markets based on long-term economic, environmental and social criteria. The Dow Jones Sustainability indices are the most relevant in the world on the theme, representing half of the global market capitalization, and are a benchmark for investors who integrate sustainability into their portfolios and investment decisions.

"This is a recognition of the efforts to continuously improve the Company's processes and our team's commitment to the sustainability pillars of our business. Respect for the planet and people, especially stakeholders, as well as our commitment to prosperity, are always the highest priority in our daily activities. This is clearly reflected in this result. Congratulations to our employees" said Eduardo Sattamini, the Company's CEO.
