ANNOUNCEMENT TO THE MARKET

Engie Brasil Energia is Champion of the Época Negócios 360º Yearbook Award in the Corporate Governance Dimension

ENGIE BRASIL ENERGIA S.A., a publicly listed company in the city of Florianópolis, state of Santa Catarina at Rua Paschoal Apóstolo Pítsica, 5064, enrolled in the tax register (CNPJ) under number 02.474.103/0001-19, announces to its shareholders and the market in general that it has won the Época Negócios 360º Yearbook Award in the Corporate Governance Dimension.

Aspects contributing to this result include the option of the Company for a listing on B3's Novo Mercado, its inclusion in the Corporate Sustainability Stock Index - ISE since the latter's inception and the existence of solid internal controls. Other contributory aspects are the support of 11 advisory committees, incorporating the Transactions with Related Parties Committee, an independent Fiscal Council reporting to the shareholders and compliance with the Sarbanes-Oxley legislation, among other significant commitments on the part of the Company to best governance practices.

Starting from a database of the 2,000 largest companies by net revenue and invited to take part in the award, the Yearbook elected the 300 best companies in Brazil on the basis of criteria that go beyond financial performance according to the following six management dimensions: financial performance, corporate governance, human resources practices, innovative capacity, future vision and socio-environmental responsibility.

We are very proud of this significant recognition of the Company, underscoring our commitments to ethical, transparent and responsible conduct.

Florianópolis, August 9, 2017.
