ANNOUNCEMENT TO THE MARKET

ENGIE BRASIL ENERGIA IS INCLUDED IN THE 100 MOST SUSTAINABLE GLOBAL CORPORATIONS

ENGIE BRASIL ENERGIA S.A. a publicly listed company with its registered offices in the city of Florianópolis, state of Santa Catarina, with address at Rua Paschoal Apóstolo Pítsica, 5064, enrolled in the tax register (CNPJ) under number 02.474.103/0001-19 ("ENGIE" or "Company"), pursuant to CVM Resolution 44 of August 23, 2021 and CVM Instruction 480 of December 7, 2009, as amended, announces to its shareholders and the market at large that it has been included in the 18th annual ranking of the Global 100 List of the Most Sustainable Large Corporations in 23rd place. The announcement was made in the context of the World Economic Forum in Davos, Switzerland. The ranking has been prepared since inception in 2005 by Corporate Knights, a Canadian media and investment consultancy, involving the participation of nearly 7 thousand publicly listed companies worldwide.

Each corporation is evaluated based on a combination of up to 23 environmental, social and governance indicators with respect to their industry peers using publicly available information – the companies making up the Global 100 ranking are from 25 countries and encompass all sectors of the economy. ENGIE is one of three Brazilian corporations to have been included in the list for 2022.

The Global 100 ranking is designed to identify those companies best equipped to sustainably develop over the long term.

"We are increasingly recognized for our historical commitment to sustainability and governance, and getting confirmation from a ranking of companies from around the world underscores that we are on the right track. In line with the ENGIE Group's global positioning, we will continue to work based on a view of prosperity where economic growth must be deeply aligned with respect for people and the planet", declared Eduardo Sattamini, Company's Chief Executive and Investor Relations Officer.
