ENGIE BRASIL ENERGIA S.A.
A Publicly Listed Company – CNPJ 02.474.103/0001-19
NIRE 4230002438-4

ANNOUNCEMENT TO THE MARKET
Global IDR Rating Upgrade

ENGIE BRASIL ENERGIA S.A., ("ENGIE" or "Company"), pursuant to the provisions of CVM Resolution 44 of August 23, 2021, hereby informs that in a press release published today, Fitch Ratings ("Agency") **UPGRADED** its Long-term Local Currency Global Scale Issuer Default Rating (IDR) from 'BBB-' to **'BBB'**, with a stable outlook.

The Agency also reaffirmed the Long-Term National Scale Rating at **'AAA(bra)'**, as well as its Long-term Foreign Currency Global Scale IDR as **'BB+'**. In addition, the **'AAA(bra)'** rating assigned to the Company's senior unsecured debenture issuances were reaffirmed. All ratings have been maintained with a stable outlook.

As disclosed in the release, the Agency affirms that *"The Local Currency IDR upgrade reflects Fitch's reassessment of parent company ENGIE S.A. (ENGIE; 'BBB+'/Stable) incentives to support Engie Brasil after the July 2026 capital increase, in which ENGIE contributed its 40% stake in Jirau Energia to Engie Brasil. A BRL2.6 billion cash inflow from minority shareholders reinforced the company's financial profile."*

Florianópolis, August 10, 2026.
