ANNOUNCEMENT TO THE MARKET

ENGIE BRASIL ENERGIA'S EQUITIES ARE INCLUDED IN THE ISE FOR THE 14TH CONSECUTIVE YEAR

In alignment with the Company's historical commitment to the highest standards of sustainability and corporate governance.

Florianópolis, November 30, 2018 – ENGIE BRASIL ENERGIA S.A ("Company") (B3: EGIE3, ADR: EGIEY) announces to shareholders and the market in general that it continues to be a component of the Corporate Sustainability Index (ISE) of B3 – Brasil, Bolsa, Balcão S.A.. EBE's equities have been included in the ISE portfolio since the stock index's inception.

The new portfolio will be effective from January 7, 2019 through January 3, 2020 and will incorporate 35 shares of 30 companies, corresponding to 48.7% of the total value traded on the B3.

The index reflects the average return from a theoretical portfolio of shares of those listed companies enjoying the best environmental, social and governance practices. Since its creation in 2005, ISE has recorded a return of 203.8% compared with the 175.4% for the Ibovespa stock index over the same period.

"Energy is at the heart of human progress. As a leading power company, our permanence in the ISE portfolio sends an important message that our commitment to sustainable development is being recognized and that it should be maintained and expanded, reconciling individual and collective interests of society in the search for harmonious progress", declared Eduardo Sattamini, the Company's Chief Executive Officer. "We continue to expand our share of renewable energy generation as well as operating in new segments such as transmission and distributed energy, focused on the tendencies and dynamics of the energy transition in pursuit of a low carbon economy".
