ANNOUNCEMENT TO THE MARKET

ENGIE BRASIL ENERGIA'S SHARES ARE INCLUDED IN B3'S SUSTAINABILITY INDEX (ISE) FOR THE 16TH CONSECUTIVE YEAR

Participation underlines the Company's historic commitment to the highest standards of sustainability and governance

Florianópolis, December 01, 2020 – ENGIE BRASIL ENERGIA S.A. ("ENGIE" or "Company") (B3: EGIE3, ADR: EGIEY) announces to shareholders and the market at large that it continues to be a component of the Corporate Sustainability Index (ISE) of B3 – Brasil, Bolsa, Balcão S.A. EBE has been part of the portfolio since its inception.

The new portfolio will remain in effect from January 04, 2021 to December 30, 2021, consisting of 46 shares of 39 companies from 15 sectors and corresponding to 38% of the total value traded on B3. The index mirrors the average return of a theoretical portfolio of shares of the listed companies employing the best environmental, social and governance practices.

"The extremely challenging environment experienced in 2020, marked by the Covid–19 pandemic, brought with it important reflections and lessons for all. ENGIE positioned itself in a very cooperative way in this major collective project, namely of combating the direct and indirect effects of the pandemic. This revealed an important path to be followed in the coordination of collective efforts on other fronts such as those of climate change and the preservation of the ecosystem and biodiversity" said the Company's Chief Executive and Investor Relations Officer, Eduardo Sattamini. "We continue working to be leaders in the use to innovative technologies which allow us to minimize the environmental impacts at our operations, this objective also incorporating collective creation together with our partners and society".
