ANNOUNCEMENT TO THE MARKET

ENGIE BRASIL ENERGIA S.A., a publicly listed company, with registered offices in the city of Florianópolis, state of Santa Catarina at Rua Paschoal Apóstolo Pítsica, 5064, enrolled in the tax register (CNPJ) under number 02.474.103/0001-19 ("ENGIE" or "Company"), pursuant to the provisions in CVM instructions 358/2002 and 480/2009, informs its investors and the market at large that it has been recognized with Latin Trade IndexAmericas Sustainability Award 2021 as the best company in Latin America in the Environment category. The Sustainability award is given in partnership between the Inter-american Development Bank (IBD) with Latin Trade, a business magazine distributed in Latin America for 27 years.

The award recognizes good management practices which promote the efficient and responsible use of economic, environmental, and social resources for maintaining a good equilibrium between the private sector and society.

The candidates to the Latin Trade IndexAmericas are chosen from the Thomson Reuters database, a universe of more than 6,000 companies. An initial screening is undertaken based on more than 400 indicators, proportions and analyses in the Environment, Social and Governance areas.

"For more than 20 years, respect for the environment and the definition of strategies which make for the preservation of the Brazilian biodiversity have been our guide in all our projects. We believe that as well as generating clean energy, we have a genuine commitment to long-term sustainability. The award to ENGIE as the best company in Latin America in the Environment category is one more important recognition of the work we have been undertaking and improving together with an active public in the areas surrounding our construction sites and operations", declares Eduardo Sattamini, Chief Executive Officer of ENGIE Brasil Energia.
