ANNOUNCEMENT TO THE MARKET

STATEMENT FROM THE CHAIRMAN AND CHIEF EXECUTIVE OFFICER ON THE EGM OF JULY 02, 2026

ENGIE BRASIL ENERGIA S.A. ("Company"), further to the Material Fact disclosed on June 10, 2026, hereby informs that it has received for disclosure on this date a letter to shareholders subscribed by the Chairman and the Chief Executive Officer of the Company ("Letter") regarding the Company's 44th Extraordinary General Meeting, called for July 2, 2026 ("EGM").

As per the documentation previously disclosed to the market, the EGM will deliberate on the ratification of the appointment and engagement of Apsis Consultoria Empresarial Ltda. as the valuator, and on the valuation report of the shares issued by Jirau Energia S.A. ("Jirau") held by ENGIE Brasil Participações Ltda. ("EBP"), together with the proposed value for purposes of their contribution to the Company's capital stock within the scope of a public offering for the distribution of shares to be carried out ("Offering").

Through the Letter, the subscribes reinforces the importance of integrating Jirau into its portfolio and, accordingly, emphasizes the importance of the Company's shareholders participating in this upcoming EGM.

The full text of the Letter is **attached** to this Announcement to the Market.

The Company reiterates that all information relevant to participation and the exercise of voting rights at the EGM, as well as the matters to be approved, is available in the EGM convening materials (specifically, the Call Notice, the Management Proposal and the Shareholder Attendance Manual), which should consulted.

As a reminder, the EGM will be held on July 2, 2026, at 9:00 a.m. (Brasília time) in an exclusively digital format. Therefore, shareholders must observe the following main deadlines for participation:

- Deadline for participation via Remote Voting Ballot (BVD): **June 28, 2026 at 11:59 p.m. (Brasília time)**
- Deadline to register for attendance via the EGM via digital platform: **June 30, 2026 at 11:59 p.m. (Brasília time)**

Finally, management reinforces that the Company's Investor Relations Department remains entirely at the shareholders' disposal for any questions or clarifications regarding the EGM through the channels: ri.brenergia@engie.com or +55 (48) 3221-7904/7246.

Ref. EGM of July 02, 2026 – Statement from the Chairman and Chief Executive Officer of ENGIE Brasil Energia S.A.

Dear Shareholders,

An important meeting lies ahead for Shareholders on Thursday (July 02, 2026), at 9:00 a.m.: the Extraordinary General Meeting of **ENGIE Brasil Energia S.A.** ("Company") ("EGM").

The EGM will be an opportunity for Shareholders to participate in a decision that could be determinative for the integration of the Jirau Hydropower Plant into the Company's asset portfolio.

At the EGM, in accordance with the convening documents timely made available on June 11, 2026, Shareholders will deliberate on the following agenda:

(a) the ratification of the appointment and engagement of Apsis Consultoria Empresarial Ltda. as valuator; and

(b) the valuation report of the shares issued by Jirau Energia S.A. ("Jirau") held by ENGIE Brasil Participações Ltda. ("EBP"), as well as the proposed value of the shares to be assigned for the purpose of their contribution by EBP to the capital stock of the Company, within the scope of the public offering for the distribution of shares to be carried out ("Offering").

It should be noted that the management proposal submitted to the Shareholders was structured in accordance with best corporate governance practices and reflects the Company's commitment to transparency, fairness, and sustainable value creation, based on the analyses and recommendations of the Independent Special Committee for Related-Party Transactions established specifically for this transaction.

In this context, the value set by the Board of Directors for the Jirau assets to be contributed to the Company also takes into account the 5% discount proposed by EBP on the midpoint valuation of the assets determined in the Valuation Report as of its base date (updated by CDI), thereby adding value to the Company and its shareholders.

As previously clarified to the market, in compliance with corporate law, EBP, the controlling shareholder of the Company, will abstain from voting in the EGM, which reinforces the leading role and fundamental nature of the active participation of the Shareholders at this important moment for the future of the Company.

If approved, the Company may carry out the Offering in line with the parameters already approved by the Board of Directors, simultaneously enabling it to:

(a) carry out **the integration of Jirau** into its portfolio – through EBP's capital contribution, without the need for additional financing or leverage for the Company; and

(b) **raise funds in the market**, accessing its base of shareholders and investors in strict compliance with the deadlines, procedures, and requirements applicable to the Offering, enabling the Company to meet existing financial commitments and investments for project development and new investment opportunities identified in the Brazilian energy sector.

We believe that the integration of Jirau, which depends on approval at the EGM, is fully aligned with the Company's business strategy and market expansion, adding flexibility to its portfolio, expanding its installed generation capacity, and leveraging existing synergies with the ENGIE Group. Furthermore, this integration may also have a positive financial impact, considering Jirau's ability to distribute earnings, which would then be received directly by the Company itself for the benefit of all its shareholders.

Finally, reinforcing the invitation for Shareholders to participate in the EGM, in accordance with the timelines and relevant information to be disclosed by the Company's Investor Relations Department.

Sincerely,

_____
