ANNOUNCEMENT TO THE MARKET

ENGIE BRASIL ENERGIA S.A., a publicly listed company, with registered offices in the city of Florianópolis, state of Santa Catarina, at Rua Paschoal Apóstolo Pítsica, 5064, enrolled in the tax register (CNPJ) under number 02.474.103/0001-19 ("Company"), pursuant to the provision in CVM Resolution 44/2021 of August 23, 2021, wishes to inform its investors and the market at large that its Board of Directors, meeting today, contingent that certain negotiations have been satisfactorily concluded and the fulfilment of certain conditions precedent, approved the acquisition of the development rights to the Serra do Assuruá Project ("Project"), currently held by the company PEC Energia S.A.

With a total installed capacity already approved of 882 MW, comprising 24 wind farms, the Project is situated in the municipality of Gentio do Ouro, state of Bahia, the same region in which the Company already operates the Campo Largo and Umburanas Wind Complexes.

The maximum value of the acquisition is of approximately R$ 265,000,000.00 (two hundred and sixty-five million Reais). Among the assets making up the project, of particular note is an issued access opinion, Aneel (National Electric Energy Agency) authorizations, agreements on surface use rights and wind data, all serving to improve the agility of implementation and guaranteeing the regulatory benefit of the transmission tariff.

"We continue alert to the opportunities of acquisitions for furthering our long-term growth ambitions. The acquisition will enlarge the installed capacity potential of our portfolio of projects at an advanced stage of development, which will now total more than 3 GW", commented the Company's Chief Executive and Investor Relations Officer, Eduardo Sattamini.

In the case of the Project's acquisition, the provisions in Article 256 of Law 6.404/76 do not apply and for this reason, we shall not be submitting it for ratification of the general shareholders' meeting.

Florianópolis, May 5, 2022.
