A Publicly Listed Company

CNPJ 02.474.103/0001-19 - NIRE 4230002438-4

ANNOUNCEMENT TO THE MARKET

TRACTEBEL ENERGIA S.A., a publicly listed company with registered offices in the city of Florianópolis, state of Santa Catarina at Rua Paschoal Apóstolo Pítsica, 5064, enrolled in the tax register (CNPJ) under number 02.474.103/0001-19 ("Tractebel Energia" or "Company") and pursuant to CVM Instruction 358/2002, wishes to inform its shareholders and the market in general that it has acceded to the appeal of the Ministry of the Environment (MMA) to donate carbon credits to offset greenhouse gas emissions during the activities of the 2014 FIFA World Cup Brazil™ in the 12 host cities.

The Company has donated 105,000 Certified Emissions Reductions (CERs) offsets to partially neutralize the emissions generated by the event. These cover emissions during the games themselves and also those emanating from activities relating to transportation and travel of the teams, supporters and employees at the host cities as well as construction of and improvements to the stadiums and other infrastructure work related to the tournament. Based on data which can be accessed from the link http://www.mma.gov.br/governanca-ambiental/copa-verde/nucleo-mudancas-climaticas/item/10077, the Company's donation represents about 20% of all donated CERs to date, ranking Tractebel Energia S.A. as the largest emissions' neutralizer for the 2014 FIFA World Cup Brazil™.

The carbon credits which Tractebel Energia has donated are generated by the Lages Cogeneration Plant (28 MW), the latter registered as a United Nations Organization Clean Development Mechanism Project Activity (CDM) in 2006. Conversely, the Company will enjoy the right to use the "Low Carbon" sustainability seal as an official donor of carbon credits to the 2014 FIFA World Cup Brazil™.
