ANNOUNCEMENT TO THE MARKET

TRACTEBEL ENERGIA S.A., a publicly listed company with registered offices in the city of Florianópolis, state of Santa Catarina at Rua Paschoal Apóstolo Pítsica, 5064, enrolled in the tax register (CNPJ) under number 02.474.103/0001-19, the largest private sector electric energy generator in Brazil, announces to the shareholders and to the market in general that it has again been selected as a component of BM&FBOVESPA's Corporate Sustainability Index (ISE) and this for the eleventh consecutive year.

The new ISE portfolio will be effective from January 4, 2016 until December 29, 2016, and will include 40 shares of 35 different companies which at the close of the trading day on November 24th represented a market value of R$ 960.5 billion, or 44.8% of the total value of companies with shares traded on the São Paulo Stock Exchange.

The index reflects the average return of a theoretical share portfolio of companies listed on the BM&FBOVESPA and employing the best sustainability practices. In ten years, ISE registered a profitability of 128.9%, compared to 51.3% of the Ibovespa. In a broader context, the index also seeks to stimulate the behavior of institutions in this theme, broadening the dialogue with society, investors, companies and other agents.
