ANNOUNCEMENT TO THE MARKET

TRACTEBEL ENERGIA S.A., a publicly listed company with registered offices in the city of Florianópolis, state of Santa Catarina at Rua Paschoal Apóstolo Pítsica, 5064, enrolled in the tax register (CNPJ) under number 02.474.103/0001-19 ("Tractebel" or "Company"), pursuant to CVM Instruction 358/2002, wishes to inform its shareholders and the market in general that it is part of the corporate social responsibility index for developing countries launched on June 22, 2015 by euro zone exchange Euronext and Vigeo, an European agency in environmental, social and governance (ESG) ratings.

Named Euronext-Vigeo EM 70, this index distinguishes 70 companies from a universe of 900 listed companies in 30 developing countries which have the highest performances in corporate responsibility. In Brazil, further to Tractebel, nine companies are part of Euronext-Vigeo EM 70.

Companies' weighting in the index, calculated by Euronext, is correlated with the score assigned by Vigeo. This represents an alternative approach to traditional methods based on float. It allows for positive discrimination in favour of those listed companies that are the most actively engaged in promoting compliance with universal public standards, particularly in the field of human rights, decent employment practices, environmental protection, corporate governance, business ethics and contributions to social economic development in areas where they operate.
