Ref.: **Official Letter No. 230/2025/CVM/SEP/GEA-1 of 09/19/2025 - ENGIE Brasil Energia S.A. - Request for clarification on a news article**

Dear Madam,

We refer to the Official Letter mentioned above, received last Friday, 09/19/2025, as transcribed in the Annex ("Official Letter"), which requests clarification regarding a news article published on September 18, 2025, in the Broadcast column of the newspaper O Estado de São Paulo, under the headline "*Engie seeks partner for transmission assets and expects to close deal this year*" ("News Article").

In response to the Official Letter, **ENGIE BRASIL ENERGIA S.A.**, a publicly-held company headquartered in the city of Florianópolis, State of Santa Catarina, at Rua Paschoal Apóstolo Pítsica, 5064, Bairro Agronômica, ("EBE" or "Company"), respectfully submits the following clarifications:

First, it is important to note that the News Article is a journalistic report, prepared by a press outlet, and not an official statement from the Company.

It should also be emphasized that the Company is an active player in the energy market and, in the course of its business, is constantly seeking and evaluating opportunities related to its activities that could add value to its business and its shareholders. With these objectives, the Company maintains frequent contact with potential business partners, as well as with advisors to assist in the analysis of potential opportunities.

In this context, the Company clarifies that the hiring of the advisor mentioned in the News Article is part of the natural and regular development of its activities and is for the purpose of supporting the process of evaluating and prospecting of potential opportunities in the electricity transmission market. This process is ongoing, and as of this date, there is no fact or decision of a final or binding nature regarding it.

The Company also points out that the decision on whether to proceed with the process will be subject to, among other factors, favorable market conditions, as well as obtaining the applicable corporate and legal approvals.

Given the above, the Company understands that the information contained in the News Article should not be considered a material fact, thus not justifying its disclosure to the market as required by Article 3 of CVM Resolution No. 44, of August 23, 2021.

That said, the Company reaffirms its commitment to the highest levels of transparency and governance, always aiming to keep its shareholders and the market at large duly informed, under the terms and in the manner of the legislation and regulations currently in force.

Subject: Request for clarification on news article - CVM Process No. 19957.012419/2025-08

Dear Madam Director,

1. We refer to the news article published on 09/18/2025 in the Broadcast column of the newspaper O Estado de São Paulo, which includes the following statements:

> *Engie has decided to test the market to find a partner for its electric power transmission assets. The company has hired Morgan Stanley to advise on the sale of a minority equity stake in the business or in one of its concessions. The process has already begun, and the transaction is expected to be completed this year, the Column has learned.*

2. In view of the above, we demand that you clarify whether the news is true, and, if so, explain the reasons why you believe it does not constitute a material fact, as well as comment on any other information considered important on the matter.
3. It should be noted that according to Art. 3 of CVM Resolution No. 44/21, the Investor Relations Officer is responsible for disclosing and communicating to the CVM and, where applicable, to the stock exchange and organized over-the-counter market entity where the company's securities are admitted for trading, any material act or fact that has occurred or is related to its business, as well as ensuring its wide and immediate dissemination, simultaneously in all markets where such securities are admitted for trading.
4. This statement must be submitted through the Empresa.NET System, under the category: Market Announcement, type: Clarifications on CVM/B3 inquiries, subject: News Published in the Media, and must include a transcript of this official letter. Compliance with this request for a statement via a Market Announcement does not exempt the company from potential liability for the failure to timely disclose a Material Fact, under the terms of CVM Resolution No. 44/21.
*5. We inform that, by order of the Superintendence of Corporate Relations, in the exercise of its legal powers and based on item II of Art. 9 of Law No. 6,385/76, and CVM Resolution No. 47/21, a coercive fine of **R$ 1,000.00 (one thousand reais)** may be imposed, without prejudice to other administrative sanctions, for failure to comply with the requirement contained in this official letter, sent exclusively by email, **by 09/22/2025**.*
Sincerely,"
