RELEASE

Tractebel Energia joins in "ISE" – Bovespa's Corporate Sustainability Index

Florianópolis, January 05, 2006 – Tractebel Energia (listed in Bovespa's Novo Mercado under the ticker symbol TBLE3), the largest private power generation company in Brazil, has been chosen to take part in the recently launched "ISE", a corporate sustainability index developed by Bovespa, Fundacao Getulio Vargas, Instituto Ethos, Brazil's Ministry of Environment, and other capital markets entities.
This index is composed by stocks, among the most liquid ones, of 28 companies that are widely recognized as committed to social responsibility and corporate sustainability.

ISE Índice de Sustentabilidade Empresarial
Ações socialmente responsáveis também são valorizadas no mercado.
