MINUTES OF THE 104th MEETING OF THE FISCAL COUNCIL OF ENGIE Brasil Energia S.A., held on July 31 and August 7, 2025

On the 31st (thirty-first) day of the month of July of the year two thousand and twenty-five, beginning at 2:00 p.m. and concluding at 4:10 p.m., suspended until the 7 (seventh) day of the month of August, two thousand and twenty-five, beginning at 2:00 p.m. and concluding at 2:30 p.m. after regular convening, the effective members of the Fiscal Council of ENGIE Brasil Energia S.A. met through the medium of the Teams platform as follows: Carla Carvalho de Carvalho, Marcelo Cardoso Malta and Anderson Paiva Martins, with the following agenda of the day: 1 – Analysis of the Quarterly Information Report for the 2nd Quarter of 2025; 2 – To opine on the distribution of interim dividends, based on quarterly information raised on June 30, 2025; 3 – Analysis of the Budgetary Execution; 4 – Progress of questions raised by Ernest & Young ("EY") in the Internal Controls Deficiency Letter; 5 – Processual contingencies; and 6 – General Matters. Also participating were Paulo Maurício Mantuano de Lima, Manoel Eduardo Bouzan de Almeida and Jorge Miguel de Bessa Menezes, alternate members of the Fiscal Council as invitees. The meeting was presided by Councilor Carla Carvalho de Carvalho and as secretary, André Budal Arins Resendes. Opening, the chair thanked the presence of all and moved on to the 1st item on the agenda: 1 – Examination of the Quarterly Information Report for the 2nd Quarter 2025 ("ITR2Q2025"): At the request of the members of the Fiscal Council, Romary dos Anjos Silva provided preliminary clarifications on the ITR2Q2025. The chair gave the floor to Romary dos Anjos Silva, manager of the Accounting Management Organizational Unit, who presented and rendered clarifications on the main highlights influencing the results shown in ITR2Q2025, focusing on particularly the variation in Ebitda and Net Income and the leading drivers of the result versus ITR2Q2024, also presenting the main events in the quarter as follows a) Serra do Assuruá Wind Complex: physical progress reaching the 100% mark with commercial operations at 88%; b) Assu Sol Photovoltaic Complex: physical progress at 96% with commercial and testing operations at 75%; c) Concluded in July/25, the 15th issuance of debentures for a total of R$ 2.2 billion, classified as green debentures; d) the proposal for distribution of interim dividends amounting to R$ 719.2 million (R$ 0.88143194897 per share), equivalent to 55% of the distributable net income for the 1st half 2025; and e) Restructuring of the Executive Board with the objective of strengthening the strategic focus on business lines and to align the organizational structure with the ENGIE Group model as a whole. After receiving the report of EY on August 7, 2025, the members of the Fiscal Council declared concluded the analysis of ITR2Q2025, not manifesting any objection; In continuation and moving on to the following item on the agenda, 2- To opine on the distribution of interim dividends based on quarterly information raised on June 30, 2025: Romary dos Anjos Silva also presented and rendered clarifications on the proposal for distribution of interim dividends worth R$ 719.2 million (R$ 0.88143194897 per share), equivalent to 55% of the adjusted profit based on the information in the ITR2Q2025, the members of the Fiscal Council having opined favorably on the proposal of the Executive Board, to be submitted to the Board of Directors, of a Declaration and Distribution of Dividends to the shareholders; moving on to the third item: 3 – Analysis of Budgetary Execution: Roberto Flack, manager of the Financial Planning and Control Organizational Unit, presented the budgetary execution for the period to June 30, 2025, providing clarifications on the main events influencing the execution of the budget and the

energy balance; moving on to the 4th item of the agenda: 4 – Progress of questions raised by Ernest & Young (EY) in the Internal Controls Deficiency Letter: In the meeting Caio Castro rendered various clarifications, more particularly with reference to the following items: a) In the audit of the Financial Statements for 2024, EY expressed no opinion as to the efficiency of the internal controls; b) In the letter issued by EY, the deficiencies were presented and classified as follows: (i) significant deficiency (those with greater impact and relevance in the Financial Statements); (ii) control deficiency (are those with lesser impact on the Financial Statements); and (iii) other recommendations (suggestions for improvement); c) CVM Resolution 80 (item 5.2 (d) and Circular/Annual Memorandum-2024-CVM/SEP), determines that the Company must at least present comments on the significant deficiencies and recommendations of the auditor on those cited in the Reference Form; d) A summary of the deficiencies identified by EY were presented with respect to the fiscal years 2023 and 2024, allocated to the respective areas of responsibility of the Company; and e) EY's recommendations were presented together with comments of the respective areas; proceeding to the fifth item on the agenda: 5 – Processual contingencies: Caio Barcaroli Castro, legal coordinator of the Company, presented and provided clarifications on the 10 (ten) main civil and environmental, processes of the Company with emphasis on the following impacts: project, number of the process, court/organ where the case is being heard, state where the case is being heard, subject matter of the case, status of the case, parties involved, amount provisioned, and amount involved. The Fiscal Council requested an evaluation of the contingency allocated to the Cana Brava HPP process. Additionally, Odilon Vieira and Daniel Treistman clarified the tax liability contingencies of the Company and Diamante with respect to PIS/COFINS and Income Tax/Social Contribution on the reimbursement of the CDE coal costs; and 6 – General Matters: The Fiscal Council requested that the following items be included on the agenda of the next meeting: a) Risk matrix, should the final version or a preliminary version of the risk matrix be finalized; b) Tax reform. The chair of the Fiscal informed that the work of the meeting would be suspended on July 31, 2025 and resumed on August 7, 2025 at 2:00 p.m. following receipt of the final report issued by EY. Reopening the session at 14:00 p.m. on August 7, 2025, the analysis of the matters on the Agenda of the Day was declared concluded, no fact of relevance being identified and warranting placing on record. **Conclusion**: The floor being given for further manifestations and none being forthcoming, the president declared the work of the meeting concluded, thanking the participation of all and the clarifications on questions raised, requesting the drafting of these minutes by myself as secretary, and which having been read and found in conformity, were approved and signed by the members of the Fiscal Council denominated below, and by myself, the secretary, through the medium of the digital platform. All files with the presentations rendered shall be maintained at the Company as attachments to these minutes.
