MINUTES OF THE 115th MEETING OF THE FISCAL COUNCIL OF ENGIE Brasil Energia S.A., held on July 30 and August 5, 2026

On the 30th (thirtieth) day of the month of July, beginning at 2:00 p.m. and terminating at 4:15 p.m., with an adjournment to the 5th (fifth) day of the month of August in the year two thousand and twenty-six, with resumption at 2:00 p.m. and concluding at 2:30 p.m., subsequent to regular convening, the following effective members of the Fiscal Council of ENGIE Brasil Energia S.A. met through the intermediary of the Teams platform: Carla Carvalho de Carvalho, Marcelo Cardoso Malta and Anderson Paiva Martins, with the following agenda of the day: 1 – Analysis of the Quarterly Information reports for the 2nd Quarter of 2026; 2 – Analysis of the Budgetary Execution; 3 – Tax impact on the gain from the pre-payment of concessions; 4 – Updating of legal proceedings; 5 – Updating of the new rules on Curtailment (MME Normative Ordinance 140 of July 18, 2026); 6 – Updating of the situation of the transfer of the corporate stake of Jirau Energia S.A. from ENGIE Brasil Participações Ltda. ("EBP") to the Company; and 7 – General Matters. Also participating were Paulo de Resende Salgado and Manoel Eduardo Bouzan de Almeida, alternative members of the Fiscal Council as invitees. Councilor Carla Carvalho de Carvalho presided over the proceedings with André Budal Arins Resendes as secretary. Opening the meeting, the Chair thanked the presence of all and moved to the first item on the agenda: 1 – Analysis of the Quarterly Information reports for the 2nd Quarter 2026 ("ITR2Q2026"): At the behest of members of the Fiscal Council, Romary dos Anjos Silva provided preliminary clarifications on the ITR2Q2026. The Chair gave the floor to Romary dos Anjos Silva, manager of the Accounts Management Organizational Unit, which presented and rendered clarifications on the key items influencing the results of the ITR2Q2026, focusing more particularly on the variation in EBITDA and the Net Income as well as the main drivers of the result versus the ITR2Q2025, also presenting the main events occurring in the quarter, which are: a) The Company executed a Primary Public Offering of Shares in the total amount of R$ 8.36 billion, with a R$ 2.62 billion participation on the part of the minority shareholders; b) In the 2nd Quarter 2026, the Company adhered to the Use of Public Assets (UBP) renegotiation mechanism with respect to future liabilities relating to the Cana Brava and Ponte de Pedra hydropower plants, with a total payment of R$ 2.23 billion; c) Approved the merger by the Company of its wholly-owned subsidiary, Companhia Energética do Jari – CEJA, with the objective of simplifying the organizational structure; and d) The proposal for distribution of interim dividends in the amount of R$ 770.8 million (R$ 0.5442 per share), equivalent to 55% of the distributable net income for the first half of 2026. After receiving Ernst & Young's report on August 5, 2026, the members of the Audit Committee concluded their review of the ITR for the second quarter of 2026, without qualification. Romary dos Anjos Silva also presented and provided clarifications on the proposal for the distribution of interim dividends in the amount of R$ 770.8 million (R$ 0.54420747574 per share), equivalent to 55% of the adjusted net income based on the ITR2Q2026, the members of the Fiscal Council having opined favorably on the Executive Board's proposal, to be submitted to the Board of Directors, regarding the Declaration and Distribution of Dividends to shareholders. Doubts raised by the councilors at the meeting were duly clarified. The Chair then moved on to the next item on the agenda of the day, 2 – Analysis of the Budgetary Execution: Roberto Flack, manager of the Financial Planning and Control Organizational Unit, presented the budgetary execution

undertaken up to June 30, 2026, providing clarifications on the key events influencing the budgetary execution and the energy balance. Doubts raised by the councilors at the meeting were duly clarified; moving on to the third item on the agenda: 3 – Tax impact on gain from the prepayment of concessions: Messrs. Odilon Vieira, Daniel Treistman and Pedro Araújo, manager, coordinator and analyst, respectively, of the Tax Governance Organizational Unit, presented and rendered clarifications on the tax impact arising out of the gain from the prepayment of concession fees. At the meeting, they clarified that there was a reversal of the taxable liability for the purposes of IRPJ and CSLL, given their restatement generated financial expenses that reduced the calculation base for these taxes. In relation to PIS/COFINS, various scenarios evaluated by the Company and their respective tax implications were presented. Odilon Vieira explained that on the basis of a legal opinion, the Company understood it as pertinent that the nature of these taxes accompany the financial origin of the liabilities, the contributions being subject to a rate of 4.65%. Doubts raised by the councilors at the meeting were duly clarified; moving on to the fourth item of the agenda: 4 – Updating legal proceedings: Messrs. Odilon Vieira, Daniel Treistman, and Pedro Araújo - manager, coordinator, and analyst, respectively, of the Tax Governance Organizational Unit-presented and rendered clarifications on the main administrative and judicial tax proceedings, focusing on the following aspects: namely, the tax and period in question, the company, the case number, the court/organ where the case was pending, last update, case status, and amount involved. The Fiscal Council requested an assessment of the contingency reserve allocated the situation Cana Brava Hydropower Plant case. In addition, Messrs. Odilon Vieira and Daniel Treistman rendered clarifications on the tax liability contingencies of the Company and Diamante related to PIS/COFINS and IR/CSLL for the reimbursement of the CDE (Energy Development Account) coal costs; proceeding to the fifth item on the agenda: 5 – Updating of the new rules on Curtailment (MME Normative Ordinance 140 of July 18, 2026): Preliminary clarifications were rendered at the behest of the members of the Fiscal Council. At the meeting, Leandro Xavier and Dalila Hemckmeier, manager and analyst, respectively of the Market and Regulatory Matters Organizational Unit, presented and rendered clarifications as to MME Normative Ordinance 140, of July 18, 2026, which covers the new rules for the signature of the MME Commitment Agreement required for reimbursements for Curtailment events. The reimbursement of past occurrences, between September 1, 2023, to November 25, 2025, is conditional on the legislation, the signature of the Commitment Agreement and the waiving of legal actions regarding the matter. The reimbursement for future occurrences will be subject to further regulation on the part of ANEEL. In addition, the schedule for payment of the reimbursement of curtailment events was presented, covering the period until the compensation amounts to which the Company is entitled are paid in full, along with the calculation of the reimbursement and the next steps, which will be evaluated by the Company at the appropriate time, as provided for in MME Normative Ordinance 140, dated July 18, 2026; next, the meeting moved on to the sixth item on the agenda: 6 –Updating of the situation of the transfer of the corporate stake of Jirau Energia S.A. from ENGIE Brasil Participações Ltda. (“EBP”) to the Company: Leonardo Germano Depiné, manager of the Investor Relations Organizational Unit, presented and reinforced preliminary clarifications previously provided at the 114th meeting of the Fiscal Council held on June 09, 2026 and June 10, 2026; further updating the progress for transferring the stake of Jirau Energia S.A. from EBP to the Company to the present date, with the emphasis on the structuring of the process from the beginning of the feasibility studies to the conclusion of the transfer and on the strategic and economic rationale as follows: (i) alignment with the strategy of expansion in hydropower generation; (ii) an asset which is 100% operational with immediate contributions to the result; (iii) contribution via equity income (stake of 40%); (iv) bolstering of the Company’s capital structure and management of leverage;

and (v) the positive impact on the longevity of the portfolio of assets. Doubts raised by the councilors at the meeting were duly clarified; and finally moving on to the final item of the agenda; 7 – General Matters; There were no further items to be discussed. The Chair of the Fiscal Council notified that the work of the meeting would be adjourned as of July 30, 2026, and reconvened on August 5, 2026, at 2:00 p.m. once the final report of Ernst and Young had been received. Resuming the work of the meeting at 2:00 p.m. on August 5, 2026, the analysis of the matters on the Agenda of the Day was declared concluded, no fact of any material relevance being identified that warranted registration. **Conclusion**: The floor being given for further manifestations and none being forthcoming, the Chair declared the work of the meeting concluded, thanking the participation of all and the clarifying information on questions raised, requesting the drafting of these minutes by myself, the secretary, and, which having been read and found in conformity, were approved and signed by the members of the Fiscal Council denominated below, and by myself, the secretary, through the medium of the DocuSign platform. All files with the presentations rendered shall be maintained at the Company as attachments to these minutes.
