On May 5th (five) and 7th (seven) of the month of May, two thousand and twenty-one, on both days at 1:00 p.m., the following effective members of the Fiscal Council of ENGIE Brasil Energia S.A. met through the medium of the Teams platform in the light of the restrictive measures for the prevention of COVID-19: Waltamir Barreiros, Carlos Guerreiro Pinto and Milre Felix Neto, with the following agenda of the day: 1 – Election of the President of the Fiscal Council and nomination of the secretary; 2 – Presentation of the Financial Information for the 1st Quarter of 2021; 3 – Analysis of the Implementation of the Budget; 4 – Presentation of the Company's and its controlled companies Sustainability Report 2020; and 5 – General Matters. Vespasiano Pinto Salerno and Manoel Eduardo Bouzan de Almeida, alternative members of the Fiscal Council, also participated as invitees given the virtual nature of the meeting. The Councilor Waltamir Barreiros presided over the meeting with Osmar Osmarino Bento as secretary. Opening the meeting, the chair thanked the presence of all and presented the first item on the agenda: 1 – Election of the President of the Fiscal Council and nomination of the secretary: Unanimously reelected to hold the position of President of the Company's Fiscal Council, Councilor Waltamir Barreiros and to exercise the activities of secretary Osmar Osmarino Bento was nominated and his nomination accepted. The meeting then moved on to the following item on the agenda, 2 – Presentation of the Financial Information for the 1st Quarter 2021: The chair gave the floor to Marcelo Cardoso Malta, the Company's Chief Financial Officer who gave an account of the key events in the 1st quarter of 2021 ("1Q21"), mentioning in particular: a) the key drivers for the quarter; initiatives for tackling Covid-19; authorizations obtained from ANEEL to begin commercial operations of 3 wind farms in the Campo Largo II Wind Complex; the reiteration by Fitch Ratings of the long-term national rating at "AAA(bra)" as well as the maintenance of the long-term international ratings in foreign and local currency at "BB" and "BBB-", respectively; the concession to FRAM Capital of exclusive rights over a period of 120 days from February 25 2021, for undertaking due diligence prior to eventual sale of the Jorge Lacerda a Thermoelectric Complex; the approval by the AGM of April 28, 2021, for the distribution of complementary dividends worth R$ 609.6 million; the resumption of the process for sale of the Pampa Sul Thermoelectric Power Plant in line with the ENGIE Group's decarbonization strategy worldwide; recognition of the Company as the best in Latin America, Environment category, by the Latin Trade IndexAmericas Sustainability Award 2021, sponsored by the IBD in partnership with Latin Trade magazine; and the publication of the Sustainability Report 2020. Questioned by the chair, Marcelo Cardoso Malta provided some clarifications on the strategy for contracting energy from the thermoelectric plants and on the state of play with respect to the transfer of the stake in Jirau HPP. The chair thanked Marcelo Cardoso Malta for his participation then giving the floor to Paulo Roberto Keller de Negreiros, manager of the Organizational Accounting Management Unit, who presented and provided clarifications on the principal events of 1Q21 notably with respect to: a) Energy sales: an increase in function largely of monetary restatement of the contracts; b) Energy purchases: reduction due to the strategy of portfolio management, reduction in consumption of free consumers and distributors and the reduced number of unscheduled stoppages at

Pampa Sul; c) Hydroelectric generation: an increase of 713 MWm, resulting in an increase in royalties (R$ 8 million) and TEO (R$ 21 million); d) Thermoelectric Generation: an increase of 89 MWm (CTJL and Pampa Sul); e) Wind generation: an increase of 167 MWm between compared periods. However, for Campo Largo and Umburanas still below the contracted generation curve. With this there was a reduction of reimbursements to the distributors between compared quarters and consequently an increase in operating revenue (R$ 25 million). Paulo Roberto Keller de Negreiros then presented and provided clarifications on the principal events influencing the quarterly information of 1Q21, touching specifically on: a) the financial indicators for 1Q21; b) the events impacting the evolution of EBITDA; c) the evolution of net accumulated earnings; d) the variations in net operating revenue and costs; e) the equity income result; and f) the changes in the asset and liability accounts. Fernando de Souza Leite then presented the work undertaken by Deloitte Touche Tohmatsu Auditores Independentes with respect to the work of the outside audit of the quarterly information for 1Q21, emphasizing the independence of Deloitte Touche Tohmatsu in relation to services rendered and that the report was issued without qualification. Proceeding with the work of the meeting, the chair moved on to the third item on the agenda: 3 – Analysis of the Implementation of the Budget: Leonardo Depiné, manager of the Organizational Financial Planning and Control Unit, presented the implementation of the budget to March 31, 2021, providing clarification on the principal events which influenced the implementation of the budget and the energy balance. The file with the presentation shall be maintained at the Company as an attachment to these minutes. The chair then announced that by virtue of the time and dates previously arranged, the work would be suspended and resumed on May 7, 2021 at 1:00 p.m. for clarifying some points in the quarterly information for 1Q21 and for the presentation of the Sustainability Report 2020. Reopening the work on May 07, 2021 at 1:00 p.m. in the presence of all effective members and alternates of this Fiscal Council, Paulo Roberto Keller de Negreiros, questioned by the chair, provided clarifications on the following points of 1Q21: *i)* the breakdown of the Dividends and IOC Payable balance, undertaking to forward a report on the change in this account to the councilors; *ii)* the composition of the Retained Earnings Reserve; and *iii)* the metric used to demonstrate capital management risk. Following discussion pertinent to the information rendered and receiving the clarifications on points raised, the members of the Fiscal Council declared concluded the analysis of the Quarterly Information for 1Q21, not identifying any relevant aspects warranting register. The files with the presentations proffered shall be held at the Company as attachments of these minutes. Thereafter, the chair proceeded to the final item on the agenda: 4 – Presentation of the Sustainability Report 2020 of the Company and its controlled companies: Rafael José Caron Bosio and Caio Miralles de Araujo, manager, and sustainability analyst of the Investor Relations Business Unit respectively, presented the Sustainability Report 2020 of the Company and its controlled companies. Based upon the analyses effected as well as clarifications received and also considering: a) the Opinion on the Report and the Verification Process contained in the Independent Verification Statement issued by Bureau Veritas in April 2021 and b) the approval by the Company's Board of Directors on April 5, 2021, the members of the Fiscal Council, for the purposes enshrined in the accounting manual of ANEEL, validate the report understanding that the same reflects the sustainability practices adopted by the Company for fiscal year 2020. **Conclusion**: The floor being given to those present and there being no further manifestation, the President declared the work of the meeting concluded, thanking the participation of all and for clarifying information on the doubts raised, requesting that these minutes be drafted by me, the secretary, which after having been read and found in conformity, were approved and will be signed by the members of the Fiscal Council denominated below, and by me the secretary, through DocuSign.
