MINUTES OF THE 91st MEETING OF THE FISCAL COUNCIL OF ENGIE BRASIL ENERGIA S.A., HELD ON APRIL 17, 2023

On the 17th (seventeenth) day of the month of April in the year two thousand and twenty-three at 2:00 p.m. through the medium of the Teams platform in accordance with the restrictive measures for preventing COVID-19, the effective members of the Fiscal Council of ENGIE Brasil Energia S.A., Waltamir Barreiros, Carlos Guerreiro Pinto and Milre Felix Neto met with the following agenda of the day: 1 – Examination of the 2022 Sustainability Report of the Company and its subsidiaries. Also participating were Vespasiano Pinto Salerno and Manoel Eduardo Bouzan de Almeida, alternate members of the Fiscal Council as invitees given that the meeting was held online. The Councilor Waltamir Barreiros presided over the work of the day with Osmar Osmarino Bento as secretary. Opening the work of the meeting, the chair thanked the presence of all and moved on to the only item on the agenda: 1 – Examination of the 2022 Sustainability Report of the Company and its subsidiaries: Messrs. Rafael José Caron Bosio and Caio Miralles de Araujo, sustainability manager and analyst of the Company's Investor Relations O.U., respectively, presented the 2022 Sustainability Report of the Company and its subsidiaries, the document being assured by Bureau Veritas and which shall be kept as an attachment to these minutes. It was informed that the Board of Directors at a meeting held this morning, had approved the Sustainability Report without any alteration. Following clarifications received during the presentation and for the purposes set forth in the ANEEL accounting manual, the members of the Fiscal Council based on the analyses conducted and considering: a) the Opinion in the Report and the Verification Process in the Independent Verification Certification received from Bureau Veritas on March 17, 2023; and b) the approval by the Board of Directors of the Company, have validated the report, understanding that the same reflects the practices of sustainability adopted by the Company for fiscal year 2022, issuing the opinion as follows: *"**OPINION OF THE FISCAL COUNCIL** – The undersigned members of the Fiscal Council of ENGIE Brasil Energia S.A, in compliance with the legal, statutory and regimental provisions, have examined the Sustainability Report of the Company and its subsidiaries for the fiscal year 2022, the aforesaid document duly assured by Bureau Veritas. For the purposes set forth in the ANEEL accounting manual, the members of the Fiscal Council based on the analyses effected and considering: a) the Opinion in the Report and the Process of Verification in the Independent Verification Certification received from Bureau Veritas on March 17, 2023; and b) the approval by the Company's Board of Directors on April 17, 2023, have validated the report, understanding that the same reflects the sustainability practices of the Company and its subsidiaries in the fiscal year 2022. Florianópolis/SC, April 17, 2023.*". **Conclusion**: The floor being given for further manifestations and no such manifestations being forthcoming, the President declared the work of the meeting concluded, thanking the participation of all and the clarifying information on doubts raised, requesting the drafting of these minutes by myself, the secretary, which, having been read and found in conformity, were approved and will be signed by the members of the Fiscal Council, named below, and by myself as

secretary through the medium of DocuSign. The file with the presentation rendered will be kept at the Company as attachments to these minutes.
