MATERIAL FACT

TRACTEBEL ENERGIA S.A., a publicly listed company with registered offices in the city of Florianópolis, state of Santa Catarina at Rua Paschoal Apóstolo Pítsica, 5064, Bairro Agronômica, CEP 88025-255, enrolled in the tax register (CNPJ/MF) under number 02.474.103/0001-19 ("Tractebel Energia" or "Company"), pursuant to the provisions of CVM Instruction 358/2002, wishes to announce to its shareholders and to the market at large that the Judge of the Twentieth Federal Court of Brasilia in an action proposed by the Brazilian Association of Independent Power Producers ("Apine") has ruled in favor of an injunction whereby *"it has determined that until all appeals in this lawsuit have been exhausted, Aneel shall abstain from taking steps to adjust the MRE in relation to the members of Apine herein substituted, should there be total generation of the Energy Reallocation Mechanism ("MRE") in an amount less that the physical guarantee of these same members, failure to observe this ruling subjecting the offender to the imposition of a daily penalty fine of R$ 50,000.00 (fifty-thousand reais)."*

The decision has the effect of interrupting costs incurred by the hydroelectric generators due to the current low values of the Generation Scaling Factor (GSF). Since early 2014, these values reflect the situation under which hydroelectric energy generation has been reduced due to several government measures both of a structural and also circumstantial nature.
