MATERIAL FACT

ENGIE BRASIL ENERGIA S.A. ("Company"), a corporation, registered as a publicly listed company with the Brazilian Securities and Exchange Commission ("CVM"), pursuant to the provision in CVM Resolution No. 44, of August 23, 2021, as amended ("CVM Resolution 44"), wishes to announce to the market at large that, on this date, the Company has submitted to the CVM, in accordance with Article 26, item IV, subparagraph (b), and Article 27, both of CVM Resolution No. 160, of July 13, 2022, as amended ("CVM Resolution 160") the request to register a public offering for distribution of up to 2,000,000 (two million) simple non-convertible, unsecured debentures in up to 4 (four) series, being the Company's 12th (twelfth) ("Debentures", "Issuance" and "Offering").

The Debentures will be subject to public distribution pursuant to CVM Resolution 160, as well as other applicable laws, and shall observe the automatic granting procedure for registration of securities issued by issuers with substantial exposure to the market. The following will be offered within the scope of the Offering, up to 2,000,000 (two million) Debentures, with a unit part value of R$ 1,000.00 (one thousand Reais), totaling as of the date of Issuance, the amount of up to R$ 2,000,000,000.00 (two billion Reais) ("Total Amount of the Issuance"), observed the possibility of partial distribution of the Institutional Debentures (as defined below), provided that there is the placement of at least, R$1,500,000,000.00 (one billion and five hundred million Reais) of Incentivized Debentures ("Partial Distribution" and "Minimum Amount", respectively).

The Debentures of the first, second, and third series ("Incentivized Debentures") will benefit from the tax incentive provided in Articles 1 and 2 of Law No. 12.431, of June 24, 2011, as amended ("Law 12.431"), so that their holders may be entitled to the tax benefits provided by law. The net proceeds obtained by the Company through the issuance of the Debentures of the first, second, and third series will be allocated to the payment of future expenses or reimbursement of expenses, expenses or debts related to the detailed projects in the "*Deed of Issue of the 12th (*Twelfth*) Simple Non-Convertible, Unsecured Debentures Issuance in Up to 4 (four) Series, for Public Distribution, Under the Automatic Granting Procedure, of Engie Brasil Energia S.A.*" ("Deed of Issue" and "Projects"). The funds related to the Debentures of the fourth series ("Institutional Debentures") raised by the Issuer will be used exclusively for working capital to finance the implementation of the Company's business plan.

In the context of the Offer, the procedure for collecting investment intentions will be adopted, organized by the Coordinators, in accordance with Article 64, paragraph 2, of CVM Resolution 160, with the receipt of reservations, in order to (i) determine the final remuneration rate of the Incentivized Debentures (as defined in the Deed of Issue); (ii) determine the number of series

of Debenture issuance; (iii) determine the quantity and final volumes of each Debenture series, in accordance with the demand determined, and it is certain that (a) Incentive Debentures must observe the system of communicating vessels; and (b) items (ii) and (iii) will be determined by mutual agreement, between the Coordinators and the Company ("Bookbuilding Procedure"), as defined in the Offer's Deed of Issue.

This material fact does not constitute an offer, invitation or solicitation of an offer to acquire Debentures. Neither this material fact, nor any information contained herein shall constitute the basis for any agreement or commitment. The effective approval of the Issuance and the realization of the Offering, as well as the definition of its terms and conditions were subject to resolution by the Company's Board of Directors in the meetings held on June 04, 2024, the minutes of which are available for consultation in the CVM's website (http://www.cvm.gov.br) and the Company's (http://www.engie.com.br).

Pursuant to the applicable regulations and according to the standards of conduct set forth therein, additional information on the Company and the Issuance can be obtained in the websites of the CVM (http://www.cvm.gov.br) and the Company (http://www.engie.com.br).
