ENGIE BRASIL ENERGIA S.A.
A PUBLICLY LISTED COMPANY
CNPJ 02.474.103/0001-19 NIRE 4230002438-4

MATERIAL FACT

ENGIE BRASIL ENERGIA S.A. ("Company"), a corporation, registered as a publicly listed company with the Brazilian Securities and Exchange Commission ("CVM"), pursuant to the provision in CVM Resolution No. 44, of August 23, 2021, as amended, wishes to announce to the market in general that on this date, the Company has submitted to the CVM, in accordance with Article 26, item IV, subparagraph (b), and Article 27, both of CVM Resolution 160, of July 13, 2022, as amended ("CVM Resolution 160"), the request to register a public offering for distribution of 2,200,000 (two million, two hundred thousand) simple non-convertible debentures of the unsecured type in 2 (two) series, of the Company's 15th (fifteenth) issuance ("Debentures", "Issuance" and "Offering").

The Debentures shall be subject to public distribution pursuant to CVM Resolution 160, as well as other applicable laws, and shall observe the automatic procedure for registration of securities issued by issuers with major exposure to the market. The following will be offered within the scope of the Offering: 2,200,000 (two million, two hundred thousand) Debentures, with a unit par value of R$ 1,000.00 (one thousand reais), totaling as of the date of Issuance, the amount of R$ 2,200,000,000.00 (two billion, two hundred million reais).

For the first time in the Company's history, the Debentures will be classified as green bonds, pursuant to the Green Finance Framework issued by the Company and the respective Second Party Opinion issued by the specialized consultancy DNV Business Assurance Avaliações e Certificações Brasil Ltda. Both documents are available on the Company's website (https://www.engie.com.br/investidores/esg/dividas-verdes/).

The Debentures shall benefit from the tax incentive pursuant to Article 2 of Law 12.431 of June 24, 2011, as amended, such that their holders may be entitled to the tax benefits enshrined in law. The net proceeds raised by the Company through the Issuance of the Debentures shall be allocated for the payment of future expenditures and/or reimbursement expenditures, expenses or debt related to the projects detailed in the "*Private Indenture Instrument of the 15th (Fifteenth) Issuance of Simple, Non-Convertible Debentures, of the Unsecured Type, in 2 (Two) Series, for Public Distribution, according to the Automatic Registration Procedure, of Engie Brasil Energia S.A.*" entered into on June 16th, 2025.

This material fact does not constitute an offer, invitation, or solicitation of an offer to acquire Debentures. Neither this material fact, nor any information contained herein shall constitute the basis for any agreement or commitment. The effective approval of the Issuance and the realization of the Offering, as well as the definition of its terms and conditions were subject to resolution by the Company's Board of Directors in a meeting held on June 16th, 2025, the minutes of which are available for consultation in the CVM's (http://www.cvm.gov.br) and the Company's (http://www.engie.com.br/investidores) website.

Pursuant to the applicable regulations and according to the standards of conduct set forth therein, additional information on the Company and the Issuance can be obtained in the websites of the CVM (http://www.cvm.gov.br) and the Company (http://www.engie.com.br/investidores).
