ENGIE BRASIL ENERGIA S.A.
A Publicly Listed Company – CNPJ 02.474.103/0001-19
NIRE 4230002438-4

MATERIAL FACT

ENGIE BRASIL ENERGIA S.A. ("Company"), a corporation, registered as a publicly listed company with the Brazilian Securities and Exchange Commission ("CVM"), pursuant to the provision in CVM Instruction 358 of January 3, 2002, as amended, wishes to announce to the market at large that today, pursuant to articles 6-A and 6-B of CVM Instruction 400 of December 29, 2003, as amended ("CVM Instruction 400"), the company has submitted to the CVM, the request to register a public offering for distribution of 1,600,000 (one million, six hundred thousand) simple non- convertible, unsecured debentures in up to 4 (four) series, being the Company's 9th (ninth) issuance ("Debentures", "Issuance" and "Offering").

The Debentures will be subject to public distribution pursuant to CVM Instruction 400 and other applicable laws and regulations and shall observe the automatic granting procedure for registration of securities issued by issuers with substantial exposure to the market. The following will be offered within the scope of the Offering, 1,600,000 (one million, six hundred thousand) Debentures, with a unit part value of the Debentures of R$ 1,000.00 (one thousand reais), totaling as of the date of Issuance, the amount of R$ 1,600,000,000.00 (one billion, six hundred million)("Total Amount of the Issuance"). The Debentures shall adhere to the requirements of Article 2 of Law 12,431 of June 24, 2011, as amended ("Law 12,431"), such that their holders may be entitled to tax benefits permitted under law.

Pursuant to Article 23, Paragraph 1 and Article 44 of CVM Instruction 400/2003, the procedure for collecting investment intentions, organized by the Managers of the Issuance, will be adopted within the scope of the Offering, being conducted without the receipt of reservations, without minimum and maximum lots, for verifying with Institutional Investors (as defined in the issuance indenture of the Debentures), the demand for the Debentures at different levels of interest rates. Consequently, in conjunction with the Company, a decision will be taken as to (i) which series will be issued within the scope of the Issuance; (ii) the remuneratory interest of the Debentures of each series; and (iii) the number of Debentures per series, in conformity with the Total Amount of the Issuance and that will be issued (1) for the minimum of 900,000 (nine hundred thousand) and the maximum of 1,100,000 (one million, one hundred thousand) Debentures of the 1st series and Debentures of the 3rd series, considered jointly; and (2) for the minimum of 500,000 (five hundred thousand) and the maximum of 700,000 (seven hundred thousand) Debentures of the 2nd series and Debentures the 4th series, considered jointly.

Pursuant to Article 2, Paragraph 1 of Law 12,431 and Decree 8,874 of October 11, 2016, the totality of net resources raised by the Company through the Issuance will be used for reimbursing the costs arising in a period equal or less than 24 (twenty-four) months from the date the announcement is published of the closing of the Offering in the Projects (as established in the issuance indenture of the Offering).

This material fact does not constitute an offer, invitation or solicitation of an offer to acquire Debentures. Neither this material fact, nor any information contained herein shall constitute the basis for any agreement or commitment. The effective approval of the Issuance and the realization of the Offering, as well as the definition of its terms and conditions were subject to resolution by the Company's Board of Directors in the meetings held on May 28, 2019 and June 27, 2019, the minutes of which are available for consultation in the CVM's website (http://www.cvm.gov.br) and the Company's (http://www.engie.com.br).

Pursuant to the applicable regulations and according to the standards of conduct set forth therein, additional information on the Company and the Issuance can be obtained in the websites of the CVM (http://www.cvm.gov.br) and the Company (http://www.engie.com.br).

Florianópolis, July 1, 2019.
